To better serve you, The Pilot Rock Police Department would like you to call

Dispatch @ 541-966-3651 for non-emergency police business, Not City Hall.

The Mayors Minute or two..

Can you believe that as of now, we have 32 yard sales scheduled??? That's rather remarkable in my book. This may well become an annual event? Please note, we are advertising in the EO and Nickle and Facebook and word of mouth. Your \$5.00 fee was used for that advertising as well as printing the yard sale maps. You are getting a lot of bang for your dollars. A special thanks to City Hall staff for all their efforts to make this a successful weekend-Economic Development at a grass roots level. There are a variety of ways - Friday thru Sunday, Friday and Saturday or Saturday and Sunday – all depending on the schedule of the participating vendors. It's been suggested that we hold the big community yard sale that's held in October be combined with the yard sale weekend. My only problem with that might be a lack of available help from our high school students and perhaps those who help are holding their own yard sales. Have to consider all the ramifications of that more.

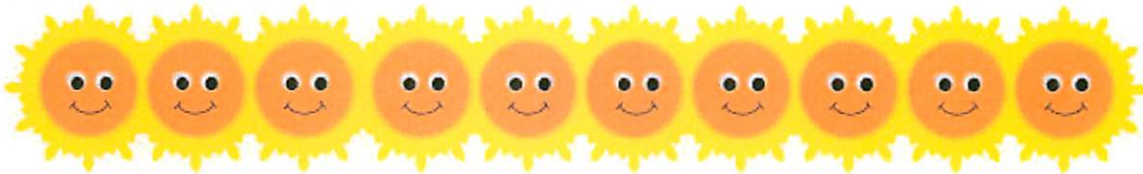

Please keep open the night of August 6th from 6-8 in the city park. Laura Byrnes and Daniel Bedal are co-chairing this event along with Chief Bill Caldera.

Remember that a Mud Bog is also planned for August 10th. If you haven't been to one, it's a lot of fun to watch and well worth the cost of admission.

Teri Bacus and I attended the East County Mayor's meeting yesterday (July 22) and I find it really interesting and a small fact for you: Out of our 13 Umatilla County cities, six have female mayors!!! For many years, I was the only elected woman mayor, but times have changed. Right now women are serving in Umatilla, Echo, Helix, Athena, Weston and Pilot Rock.

Our lagoon project seems to be moving along at a good pace and a lot of dirt is moving around. Drive out past the Gun Club and check it out for yourself! If all continues to go as planned, completion is scheduled for August 2020. This project has been on the table and it's good to be able to look at a finish date!

Happy Yard Saling! VC – Mayor of 1 of 6 x 13 .
