The information will also be posted on the district website and Facebook. State directives change quickly, so parents are asked to keep up by using the media options available through the district. Please stay positive in this time of uncertainty.

CENSUS HOME VISITS BEGIN

Pilot Rock is only at a 41.6% response rate!

Census takers will start visiting households that haven't responded beginning Thursday, July 30. This operation, called Non-Response Follow Up (NRFU), is the largest operation of the decennial census and is scheduled to conclude October 31.

What households can expect:

- All census takers are required to wear a mask while conducting their work. They follow CDC & local public health guidelines when they visit. It is mandatory that they complete a virtual COVID-19 training on protocols and other health & safety guidelines before beginning their work in neighborhoods.
- Census takers are hired from local communities.
- If no one is home when the census visits, they will leave a notice of their visit with information about how to self-respond.
- Census takers can be easily identified by a valid government ID badge with their photograph containing a US Department of Commerce watermark and an expiration date on the badge.

If you need assistance in responding, a representative from the City can be scheduled in your home or at City Hall. Contact City Hall at 541-443-2811 or email to teri.bacus@cityofpilotrock.org. Responding is vital to the community in receiving state revenue.

YOUR RESPONSE COUNTS!!

The police department regrets to inform the community that the annual National Night Out scheduled for August 4th, 2020 has been canceled due to the continuing spread of the Coronavirus. We hope to see you next year on August 3rd, 2021.

The Mayors Minute or two..

Ok, I've been out looking for "Normal" with no success yet! Any Ideas? What a spring and summer we have had :O). We need to be diligent with our hand washing, sanitizing and mask wearing and stay at home as much as possible. I want this town to remain intact, if we do it right, we will all get through it together, and when we make it lets throw one heck of a celebration to enjoy our community, we live in. That at least gives us a goal and something to look forward to!

Mayanna Kopp is still celebrating her 90th birthday and thinks she might end up with about 600 cards. Isn't that fun for her and how little it takes to spread joy into the lives of others?

Do take care of yourself and anyone else that you know who might need a hand-up.

Thank you Sue Martin for your generous donation to "Meals on Wheels" All donations are gladly received and put to good use.

Happy Trails!!

Virginia Carnes,
Mayor
