## HAVE A HAPPY AND SAFE MEMORIAL DAY WEEKEND

**CITY  
OF  
PILOT  
ROCK**

The following topics will be discussed at the May 19, 2020 Council meeting:

1. Lagoon Project Update
2. Resolution for Assigning Addresses
3. Jetter Truck Purchase

City Council meetings are currently being held via phone. If you would like to address the Council, please contact the City Recorder at 541-443-2811 or email to [teri.bacus@cityofpilotrock.org](mailto:teri.bacus@cityofpilotrock.org). If you would like to listen to the meeting, call 844-890-7777.

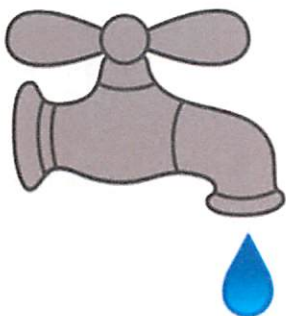

### CENSUS IS STILL PROCEEDING

On April 1 the Census officially began and is observed nationwide. The CENSUS website is still available for reporting at [2020census.gov](http://2020census.gov). You do not need the 12-digit Census ID. There is a link below the boxes where the ID would normally go and it says, "if you do not have a Census ID, click here". Most of the City of Pilot Rock does not receive mail at their home and the Census bureau is not sending out mailers to PO boxes. Make sure Pilot Rock receives the money it is eligible for by responding to the 2020 Census - the count of everyone living in the United States. Responding is important to the community. The data provides information where over \$675 billion in federal funding is spent each year in states and communities. That includes money for things like, Medicare Part B, Special education and the Supplemental Nutrition Assistance Program. The money that the City of Pilot Rock receives is based on population so YOUR RESPONSE COUNTS!!

# THE MAYORS MINUTE OR TWO..

As we continue with our altered world, I'm hoping this finds you well and happy or at least content to be alive. I know it is a difficult time for all, but we need to continue to stay safe. So far, we've been very luck out here, but do not throw caution to the wind. We don't want to lose you! I do know it can be boring and perhaps lonely, especially for our seniors, of which I am one, but we have to hang tough, and be smart until this is all over. I do not envy our school board at all levels and I do know after 34 years in the classroom how difficult it would be to social distance in a classroom. Have you ever worked with a class of kindergarteners? Point taken.

I would also like to urge you to reach out and ask for help if you need it. We have resources. This community is so very important to me and has been for 54 years. I want you to stay smart, stay well, be cautious and share your time and resources with those in need, whether it be a phone call, a couple of pounds of hamburger or a new pair of shoes for a child who needs them.

This community is only as good as the help they give others. We've always done that well, don't stop now! But do it at a socially acceptable distance and wear your mask or face covering, and yes, I do wear mine when I'm out of the house or car! I know they aren't comfortable, but until a solution is found for this time in our history, just do it, protect yourself and those around you.

Wishing you a blessed couple of weeks, every single one of you is important! Be smart, in other words don't be dumb :O)

Virginia Carnes,  
Mayor
