# The Mayors Minute or two..

We'll since I missed Christmas and New years, I thought it time I had better start contributing again, or Wanda thought so :O). It's been a ride I must say ended up at St. Anthony from 12/18-01/05/2021 and then at Willowbrook for Therapy from 1/5 until the present and somewhere in the future, when I get my legs working a big better and then, I have to work at redoing Christmas! I might get it all done by Valentines Day or maybe by Easter. I can assure you all City business is well cared for and I guess covid 19 is a blessing in some ways for me in that there are no outside meetings which have all been cancelled. No meeting other than Council and we must use the phone for that, so I'm keeping up! For those of you reluctant to get your vaccination for Covid, please don't be worried. I had mine last Friday and had no aftereffects that I can tell of. So pull your big girl and big boy jeans up and get it done asap.

The weather has been beautiful but I'm having memories of prior January's! No, No, No, we won't! I'm missing Pilot Rock, all of you and especially My little puppy, who I'm afraid wont remember me :O(, that would be hurtful.

Take care, God Bless and keep safe!
