ECONOMIC DEVELOPMENT TEAM

The City of Pilot Rock is working with Eastern Oregon Business Source to assist the City in achieving economic development goals. We are opening the doors for economic development and to build relationships/partnerships that help create and retain jobs in our community. New jobs are the lifeblood of any thriving region and can ensure economic health and prosperity for years to come. Job creation & retention in a community produces a ripple effect that can have a positive profound impact on every aspect of community life. This team focuses primarily on these areas. One of the goals is marketing & selling the industrial property near the Lagoon project. We are looking for professionals, business owners & volunteers to join the team for improving the economic well-being of our community to develop goals that are unique to the City of Pilot Rock. There will be 1-2 virtual/phone conferencing meetings monthly for about an hour beginning in March. If you are interested, please contact City Recorder at City Hall or email to

teri.bacus@cityofpilotrock.org.

The Mayor's Minute or two..

Well - and here we are once again. I'm still doing well, but anxiously waiting my feet moving forward, which hasn't happened yet. I wanted to be home 2 months ago or make that 3 months. I'm not a good patient nor do I have much patience with myself. I have too much to do to be doing nothing! Just know I am coming home and I will expect all of you to be vaccinated so I can visit with everyone :O) I still have Christmas to do or save everything for next year? To be determined! That would either put me way behind through no fault of my own or way ahead for next year :O) or Easter is coming soon? I know a lot of you are also terribly tired of being closed in. Just know it will end, keep your chins up.

Thank you's are do for so many who have helped with caring for LilBit, Sheila Buckley, Teri Bacus, Teresa Goad and Sandy Lyon. We couldn't have don this without your help. I'm sure LilBit is grateful, also he's been a real trooper having his life totally turned upside down. I'm just hoping he doesn't forget me :O(

I'm hearing some very positive information about some potential growth and renewal. I hope it can be shared soon.

Everything else seems to be running smoothly. Its good to have City Hall back open and we hope it stays there, with no variants causing another shutdown.

My telephone still works, and my cell number is 541-969-6033, I'm always available to listen or help in anyway I can, and let me assure you I can do a lot on the telephone :O)

Do look at our Spring as a renewal in all parts of our lives. Negatives are hard to avoid but we can go forward with faith that things will be brighter.

Just know your City is fully functional and under control in all aspects. You have a great staff, and all is well in our World!

P.S. Today 03/09/2021 I stood up for the first time in 3 months!!!
