The Mayors Minute or two..

Well, it is good to be home again after another hospitalization. My 9 lives have been reduced by 3 now :O). This one was a bit of a rough go including being on life support, I need to be very good to my brother who asked Dr. Ready to wait a week before disconnecting-- and here I am. So, I guess the moral of the story is not to get in too big of a hurry to terminate.

Home looks so good and so does Pilot Rock.

I am delighted to hear we are looking at some changes for Community Days, including going back to calling it Harvest Festival as it was many years ago and moving it to late September. It is worth a try to see if we get better participation. This community needs a celebration so let us get behind this and volunteer when you can! When you look at economic development, every community needs a church, a school, gathering places, and retail. With Lance Saling's new business we are back on track to a thriving community, please support all businesses here in Pilot Rock!!

Our sympathy to the Hoeft/Lankford family on the loss of Morley Hoeft, she was quite a girl and will be missed. I also want to thank Mayanna Kopp for always tracking me down and staying in touch! I appreciate that, please know I am doing my very best to keep up with my City responsibilities. That is my job and important to me! Thank you for the continuing opportunity. I have a lot of help from my friends :O)

As a side note if anyone knows of a sit to stand for rent, please let me know, I could use one to help strengthen my legs.

Please have a wonderful Memorial Day weekend, and be safe, we can't afford to lose you!

Virginia Carnes,
Mayor
