TextMyGov is Here!

Skip a phone call! The City of Pilot Rock texting program is now available. The program was developed to open lines of communication with the city and citizens. The system works 24 hours a day and it will answer questions, send links to websites, provide details on topics such as utility payments, city news, and events. Citizens can easily report issues to City Hall such as drainage problems, loose dogs, road damage and many more. It will help to easily find information and get questions answered by texting in keywords. Citizens can also opt-in to receive alerts, news, and events directly to their phone. Just text PI-LOTROCK to 91896 to sign up to receive city text alerts. Citizens can begin communication by texting "hi" to 541-532-2555.

The Mayor's Corner...

Since I moved to Pilot Rock four years ago and more so since I became mayor, I have to say how very impressed I am with our Fire Department. We have twenty volunteers protecting our community. My wife and I were invited to the Fire Department awards Banquet a few weeks ago. I was totally amazed at all the effort our volunteers put into their training and their commitment to their jobs to help keep our community safe.

Randy Gawith,
Mayor
