

Refunds

If the total amount of fines and assessments ordered by the judge is less than the amount of bail you posted, you will receive a refund by mail. Again, make sure the court has your current address. The processing time for refunds is two to three weeks. If you believe you should have received a refund and it has been over one month from the time of your last court appearance, please contact the court clerk at 541-443-2811.

If someone else paid your bail and an Assignment of Bail form has been signed, your refund will be sent to the person who paid your bail.
