

City of Pilot Rock, Oregon
Main Street Paving Project
Estimated Project Schedule
July 7, 2009

Outlined hereafter is an estimated schedule for the City of Pilot Rock's Main Street paving project. This paving project is being scheduled to occur just after the water line main has been installed in Main Street. The following schedule has been prepared to allow sufficient time to install the main street line after Pilot Rock Community Day's occurring August 21 through August 23, 2009 paving will begin as soon as possible after this.
